Class meetings held: 23.01.18

<u>Agenda Item</u>	<u>Feedback</u>	<u>Actions to be taken</u>	<u>Changes made since last meeting</u>
<p>Lunchtime issues</p> <p>What can we do about the mess in the hall during lunchtime – especially rice and peas on the floor/table?</p>	<ul style="list-style-type: none"> <li>It is very dangerous and makes the hall floor extremely slippery. It also not fair on those lunchtime staff who have to then try and clean up the mess, or those who are in the hall after lunch who end up standing on squashed peas!</li> <li>Clearing away trays – younger pupils not scraping their trays properly or stacking properly</li> </ul>	<p>If you drop it – pick it up.</p> <p>Encourage the younger pupils to use both their knife and fork. Older pupils on each table can help younger ones to cut up their food. Older ones are to show good manners and eating habits.</p> <p>Could children use a spoon for rice and peas as they are tricky to keep on a fork?</p> <p>Put cups at the end of the serving tables so that Mrs Natrass can give each pupil a cup when they have collected their pudding.</p> <p>Have a large serving spoon tied to the waste trolley to avoid the spoon falling into the waste.</p>	<p><i>Still occurring (although not as much) to add to next agenda.</i></p> <p><i>Children can request an extra spoon for rice and peas.</i></p> <p><i>Cups are now at the end of the serving table – hopefully spillages will be less of a problem now.</i></p> <p><i>There is a large spoon available for scraping trays.</i></p> <p><i>Some of the older children are helping younger ones to scrape their trays correctly.</i></p>
<p>Playground issues</p>	<ul style="list-style-type: none"> <li>Some pupils taking more toys than they need.</li> <li>Some people are asking MDS to 'save' their toys for them when they go to the toilets.</li> <li>We decided in the last meeting that the bottom of the yard was for</li> </ul>	<p>One toy per person – not 'saving' toys for friends.</p> <p>A sign to be put on the lunchtime toy box to say one toy at a time.</p> <p>Either give the toy to a friend or put it back in the box for others to play with.</p> <p>Signs could be made for each section of the playground and tied to the fence to remind everyone of what is allowed.</p>	<p><i>Mrs Welsh has made and laminated a sign to be put on the toy box.</i></p> <p><i>Mrs Welsh has made and laminated signs for the playground areas.</i></p>

	<p>football only, the middle was for other ball games and the top was a no ball zone. However, some people are playing football in the middle zone – what can we do about this?</p>	<p>Cones used for football section.</p>	<p><i>Mrs Welsh will add some cones to the lunchtime box to be put out each day.</i></p>
<p>Lining up</p>	<ul style="list-style-type: none"> <li>• There are some children we are constantly messing around when lining up – any ideas on what to do?</li> <li>• When the whistle blows, some people carry on playing football etc</li> <li>• During lunchtime when the whistle goes for tidy up time – some children drop the toy they have playing with and don't put it away.</li> </ul>	<p>Others in the line should remind their friends about the rules.</p> <p>People who are silly in the line should have to line up on their own earlier next playtime.</p> <p>The person/people who carry on playing with not be able to play the next day.</p> <p>When people go in for lunch second, they should pick up the toys they have been playing with.</p> <p>If you see someone drop a toy then ask them to pick it up.</p>	<p><i>Mrs Welsh has informed the MDS of this.</i></p>
<p>Golden time ideas</p>	<ul style="list-style-type: none"> <li>• These need to be something which can be set up/cleared away quickly and easily. Also something which can be started/finished in 30 mins.</li> </ul>	<p>Dance in the hall</p> <p>Homework club</p> <p>Reading club</p> <p>Dressing up and role play</p> <p>Puzzles and games book club</p> <p>Lego contest</p>	<p><i>Mrs Welsh will inform other staff of these ideas and hopefully some (or all) can be implemented.</i></p>
