

## PTA Meeting 18.1.17

### Christmas Updates - shopping evening, bags, raffles and Christmas presents

It was agreed by all that the Christmas period was successful for the PTFA.

Money spent on presents was approx. £168 along with the credit from the book fair. This was agreed to be an economical way of buying the presents.

#### **Raffles and bags**

Pleased to say that the combined total of profit on both the raffle and bags was £320. There are a few bags left.

#### **Christmas Fayre**

We made a profit of approx. £700; well done to everyone involved. We discussed things to consider for next year including: potentially moving food and drink into Class 1 to free up more rooms for stalls in the hall, disabled access, designation of tables to stallholders and signposting extra rooms.

#### **Finance**

RG asked about bank forms. JMc returned and passed to CH. CH to take to Barclays.

#### **Skitby Event**

This was discussed and agreed that it would still be a great event to run. CH to bring a list of dates available to coordinate with school events: next meeting. It could potentially be in May.

#### **Air Ambulance**

This made £110 last time. It was agreed that we would try another collection after February Half term. JM to sort.

#### **Garden**

Aim to restart the gardening club for after half term. CH to collaborate with NHeslop for ideas. He also suggested getting it ready for the children's Summer Fayre.

#### **Easter**

It was proposed that we could run an Easter Fayre potentially on the last day of term: 7<sup>th</sup> April. NK to put to the rest of the staff re: children involvement. It

may be better on the Tuesday of the last week (after school) so it does not conflict with the Easter Service.

### **Book fair**

Whilst this was incredibly successful in September, we decided that one a year was enough. JM to let the organisers know we will run it again in the Autumn term.

### **New ideas**

New ideas were discussed for fundraising over the year including:

- Car boot sale
- Easter Sale
- Summer Disco.
- Tea/pizza and bingo night.
- Possible links with the pub's reopening

NK to bring a calendar of school events to next meeting from which we can plan events. CH to also bring dates for Skitby availability.

**Date of next meeting:** Thurs 9<sup>th</sup> February 3.35pm Class 1
