HEADTEACHER – MISS A WESTON

10th September 2018

Dear Parents,

I hope you have all had a lovely summer. Welcome to the new academic year in Class 1! After only a few days, I can already see that we are going to have a class full of fun, energetic and thoughtful children; I can't wait to see what learning we can do together.

Generally the children have settled very well. I am sure that with the continued routine and reassurance from both parents and teachers, they will all feel confident to come in every morning. Something that can help to build their independence can be letting them carry their own coat and bags ready to place on their pegs. Please encourage them to do this so that they know themselves what they have in school with them each day.

Reception children will need their P.E. kits in school every Monday and Tuesday; although we would like their kits in school all week so that they have a change of clothes if needs be.

Nursery children who attend on a Tuesday will be doing P.E. They need a set of named plimsolls in their bags on this day please.

I have now sent home a reading record with all of the children which needs to be kept in their reading book bags at all times. To accompany this the children will choose a school reading book to bring home and share with you. Please try to find a time each night to read with them (if only a couple of pages it aids their development significantly) and make a note in the reading record of the reading. We will aim to change their book frequently in school, but if ever you wish to change it please help yourselves to the books in the porch when you enter in the morning.

I have now set up the Tapestry learning accounts for our new starters in Class 1. Please keep an eye out in your emails for an activation message; where you can set a password and login to see your child's Tapestry account.

If you have any questions please do not hesitate to ask myself or Miss Welsh at the end of the school session, or please make an appointment.

Thank you for all of your organisation and support already in this term. I look forward to working with you all.

With kind regards,

Miss Kerr
Class 1 Teacher
