## **PE Sports Premium Funding**

### **Sport Premium**

The Government is providing funding of £150 million per annum for academic years 2013/14, 2014/15, 2015/16, 2016/17, 2017/18 to provide new, substantial primary school sport funding.

This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school Headteachers to spend on improving the quality of sport and PE for all their children.

The sport funding can only be spent on sport and PE provision in schools.

### **Purpose of funding**

The Sports Premium funding is ring-fenced and must be used to fund improvements to the provision of PE and sport for the benefit of pupils aged 5 – 11 years old, so that all pupils develop healthy lifestyles.

Allocations for the academic year 2017 to 2018 are calculated using the number of pupils in years 1 to 6, as recorded in the January 2017 census, as follows:

- schools with 17 or more pupils receive £16,000 plus £10 per pupil
- schools with 16 or fewer pupils receive £1000 per pupil

In the case of a school which has opened or is due to open during the 2017 to 2018 academic year, the above formula will apply based on pupils recorded on the autumn 2017 school census.

Crosby on Eden CE Primary PE and Sports Grant Allocation is £16,790 for the academic year 2017-18.

Active playtime equipment available during lunchtimes.	Improve the quality and range of equipment available to pupils during lunchtimes. Training for midday supervisors to include active playtimes, guide books, game ideas and resources. Large, high quality storage to enable quick access to equipment.
PE Equipment	Storage for PE equipment is essential in providing pupils with a range of PE activities. Due to very limited storage within school a PE Shed was been purchased to store equipment and provide capacity to purchase further equipment in the future.
Transportation	Transportation costs to and from events to enable pupils to attend the events. Coaches are booked through a reputable coach company at best value.
